

Marriott®

COLORADO SPRINGS

Proudly announces Special Rates for ERA Shields clients!

Conveniently located across the street from ERA Shields' corporate office

One of the first hotels to implement the Marriott International technology initiative, the property features the best in hotel in-room technology paired with Marriott's impeccable service and accommodations.

- Marriott's newest Revive Bedding package with more, fluffier pillows, down comforters, and thicker mattresses with 300 thread count linens
- Dual Screen, High Definition, Plasma, Pivoting Televisions in all guest rooms enabling guests to work and watch their favorite program simultaneously
- State of the art Fitness Center with individual cardio theaters on all cardio equipment and individual headphones
- Deluxe guest rooms with king or 2 double beds, hair dryer, coffee maker, iron and ironing board, bedside LED reading lamps
- Secure, programmable safes in guest rooms desks with outlet to recharge personal laptops
- Exclusive Four Outlet Technology allows guests to view or listen to personal devices through the television. Outlets are located conveniently on top of the desk.
- Marriott's latest Great Room concept, a lobby conducive to meeting for social work or casual business with quick service menus, internet access, conference space and small group pods
- Complimentary shuttle within a 7-mile radius of the hotel, including the ERA Shields office (based on availability; inquire at the front desk or call ahead)
- On-site restaurant serving breakfast, lunch and dinner; room service from 6:30am-11:00pm
